

Reverse mortgages aren't just for single-family homes. Using a HECM or Choice, you can **enjoy the benefits of a reverse mortgage with your approved condo.**

These materials are not from, and have not been approved by, HUD, FHA, or any government agency. All home lending products are subject to credit and property approval. Rates, program terms and conditions are subject to change without notice. Not all products are available in all states or for all amounts. Consult a tax advisor and appropriate government agency for any affect on taxes or government benefits. Other restrictions and limitations apply.

REVERSE FOR CONDOS

Let's find out
how reverse could fit
your lifestyle.

REVERSE FOR CONDOS

Obtaining a reverse mortgage for your condo gives you all the **same benefits** as it would for a single-family home.

These include:

- ✓ **No monthly mortgage payment** required**
- ✓ **Non-recourse** loan
- ✓ Can receive loan proceeds as lump sum, monthly disbursement, a line of credit, or a combination*
- ✓ **Tax-free** proceeds**

**With a reverse mortgage, no monthly mortgage payment is required. Borrowers are responsible for paying property taxes and homeowner's insurance (which may be substantial). We do not establish an escrow account for disbursements of these payments. Borrowers must also occupy home as primary residence and pay for ongoing maintenance; otherwise the loan becomes due and payable.

**Loan proceeds are paid-tax-free; consult you or tax advisor.
